

Are you ready to take the next big step in your career?

We're a pig production company with **large-scale pig operations** in Romania, **offering a limited and unique opportunity** for students and graduates to grow their skills in our farms abroad.

What's in it for you?

Hands-on experience

Apply everything you've learned in school to real-world production, from sow farms to finishers, on a scale you won't find at home.

International perspective:

Expand your cultural horizons while learning applied Danish farming techniques, in a multi-cultural setting.

Career development

Gain valuable expertise and benefit from excellent career growth opportunities and mentorship.

Internship or long-term employment – it's your choice!
If it's a match, the path is open for you to stay and grow.

**Ready to step up?
